

Henley – in – Arden Drama Society decided for this production to try something they'd never done before. That is, an evening of two one act plays and performing them in the round. Also, Kevin Allen and Angela Brown are making their directorial debut. With the adding of new formats we believe we can keep the drama fresh and alive and exciting and keep the group at the forefront of amateur theatre.

We have a wealth of ideas for future productions including an adaptation of the 'Blackadder' series which is due to be performed this summer. After that you'll have to wait and see!

There will be an interval of 15 minutes between The Dumb Waiter and Costa Del Packet where refreshments will be available in the room adjoining the Hall.
