**SYNOPSIS OF THE PLAY**

\* \* \* \* \*

The central character in 'The Anniversary' is dear old Mum. She is possessive and enjoys destroying anything good or pure. 'Mum's sense of humour wafts over us like poison gas' as her youngest son puts it.

It is the eve of her wedding anniversary and Mum is celebrating with her three sons, daughter-in-law, and prospective daughter-in-law. Like giant tentacles her loving arms stretch out to members of her family to find their weaknesses and crush their spirits.

Fortunately the play is also very funny.
