Message from the Chairman

Welcome to a new season with Henley-In-Arden Drama Society. We think that we have an interesting selection of performances this season, which we hope includes something for everyone. It has been sometime since the Drama Society have produced a thriller and we are looking forward to the performances this week. "NIGHTMARE" brings a number of new faces and talent to our stage. I would like to take this opportunity to express a warm welcome to Phil Walker, Catriona McDonald, Justin Philipps and Graham Roberts. It is not only on stage where we recognise new faces but backstage as well with Sue Tootill exercising creative talent. We are delighted to have new members with enthusiasm in our group but we always welcome anyone who is interested in lending their support both on stage and off. Please don't hesitate to contact us for any information.

May I also extend my thanks to all those who have helped in the production of this thriller.

Finally, I would like to thank you for your support and hope you all enjoy the performance, and please :
