Our Society was formed in 1954 under the auspices of the Henley-in-Arden Town Improvements Committee and its objects are two-fold—first, to give pleasure and entertainment to drama lovers in the town and district; second, to raise funds to assist with the upkeep of the Memorial Hall, Playing Fields and Children's Playground and all our profits are devoted to these ends.

We have had further successes this year at both the Henley and Redditch Drama Festivals in each of which our one-act play "Nitro" was placed third. We are now the holders of the Redditch Playgoers' Challenge Cup and our Producer, Gerry Whitton, was runner-up at Henley for the Producer's Cup.

New members acting or non-acting, are always welcome and previous experience is not essential.

W. R. BOROUGHS,
Chairman.
