The Society expresses grateful thanks to all
those who have helped us in so many ways with
this production.

We extend a hearty welcome to our Audience Members and other supporters at this, the first production of our 18th Season. We hope you will find it an amusing trifle to help you start the Winter in good spirits.

Our subsequent productions will be held on 29th, 30th and 31st January and 9th, 10th, and 11th April, 1973. The plays to be performed have not yet been decided on since it is not certain who will be available. We are still short of male actors and difficulties arise if any of our regular men are not able to take part.

We feel sure there must be many men in Henley who have a secret desire to act. Why not bring it into the open and have a go! Every assistance and encouragement will be given - just come along to our next play-reading which will be held in the Memorial Hall on Monday, 20th November at 8 p.m. You will be sure of a warm welcome especially if you are in the 20 - 35 age group. If your wife doesn't want to be left alone - bring her too!

If you are not already an Audience Member, why not become one? A subscription of 60p per annum entitles you to a seat at each of our main productions without further cost, a vote at the Annual General Meeting and participation in social events. Subscription for the remainder of this season - 40p. Contact any of the undermentioned.
