The Annual General Meeting of the Society will take place on Monday 5th May 1975 at 8 p.m. in the Rubens Room at The Memorial Hall.

This Meeting is open to Audience Members as well as Active Members and it is hoped that as many as possible will make an effort to attend. The Society is in rather a critical situation since the decline in Active Membership this year has caused very serious difficulties in presenting even two productions and calls into question the continued existence of the Society next year. Consequently the opinions and advice of as many people as possible will be most helpful. Prospective new Active Members will be especially welcomed.

The Secretary will report on the Society's activities during 1974/75 and the Treasurer will present the Accounts. Officers and Committee for next year will be elected.

Please come,
