Table Manners - is a comedy that brings us into the lives of six people who gather together in Annie's house for the weekend.

Sarah and Reg have come to look after Annie's invalid mother whilst Annie goes away for the weekend.

It is then discovered that this is not an idyllic tryst with her and Tom - the very undemonstrative boyfriend, but a furtive affair with Norman.

The plan is consequently thwarted by Sarah's outraged morality, and Norman's wife - Ruth, is brought along as well to make the whole weekend a potential time bomb.

The Society wishes to thank all those who have kindly loaned items of furniture and other properties.
